

BROSCO METAL INDUSTRIES LLC

PRODUCT CATALOGUE

ABOUT COMPANY

Brosco Metal Industries is a part of Al Khaja and Saltom Group which is a highly diversified conglomerate with successful business entities in strategic locations worldwide. The business portfolio ranges from manufacturing, trading and contracting with business interest in Healthcare, Building Materials & retail supermarkets established since 1995. We have our own manufacturing facility in Ajman, Jurf Industrial Area, UAE which is engaged in the production of Steel profiles to serve local and overseas requirements. We are known for services such as professional supply, value engineering and design. Our products and services are in compliance with the international standards and have contributed to the success of many projects across the UAE. Our group has a widespread presence all over the Middle East, South East Asia and USA for the last two decades.

OUR MISSION

To sustain and lead the domestic and international market by manufacture and supply of products, meeting the needs of customers by providing economical prices, customer satisfaction and continued business.

OUR VISION

To serve every customer with Dedication, Priority, Loyalty and Trust and to lead with the supremacy of highly competitive and technical skills. Provide customers with Reliability, Quality, and Prompt Service.

OUR POLICY

Using controlled process industry methods and standards, best practice and expertise we aim to provide quality products and services that are accurate, reliable, and fit for their intended purpose.
